A thank you message to outgoing Board Director Maureen (Mo) Witney

Maureen joined BCC's Board of Directors in 2021, driven by her desire to serve the Children's Centre and her deep appreciation for the vital role BCC plays within the Bowen community. She also brought valuable insight into the importance of early childhood in family life.

Maureen's connection to BCC runs deep — she was previously involved when it was a Parent Participation Preschool, attending with her daughter Emma, a proud graduate of the Bowen Island Preschool — where it all began.

As a Board member, Maureen shared her passion for language and thoughtful communication in her role as Director of Policy. Over her four years on the Board, she contributed to numerous policy revisions and updates, helping to ensure that BCC continues to provide a safe, nurturing, and joyful environment for our children.

Maureen's deep love for children and her strong roots in our community have been invaluable to the Board. She will be truly missed — for her wisdom, her warmth, and her wonderful sense of humour.

Thank you, Maureen, for your dedicated service to BCC!
